

## S&B CHRIST CONSULTING, LLC.

### MISSION STATEMENT

Our mission is to provide Operations Research, and Civil and Environmental Engineering services with an emphasis on quality, functionality, and sustainability, through a focused approach on the client's needs, resulting in projects on-time and on-budget.

## VULNERABILITY ASSESSMENTS

- **Services:** Provide efficient and comprehensive evaluations of your facility and provide realistic, phased recommendations that can be acted upon.
- **Experience:** With prior military police and military engineers on staff, we can scale our evaluation to address any level of threat, including those posed by chemical, biological and radiological weapons.
- **Emergency Response:** Can assist with developing emergency response programs to protect against any event, natural or threatening.

### EXAMPLE PROJECTS

- **Long Beach Water Department Physical Vulnerability Assessment:** Prepared a physical vulnerability assessment report for five critical facilities.
- **SNWA Emergency Response Field Guides:** Prepared emergency response sections of field guides for use by critical responders.

### QUALIFICATIONS

- Personnel with prior military experience:
  - U.S. Air Force Security Forces
  - CBRNE Experience
  - Vulnerability assessments at military facilities
